"Only My Best Will D

This week's extract is; the story of a very hungry caterpillar, written from a different view point. By Bethany Maddams, Year 2.

The Very Hungry Caterpillar

One Sunday morning and I sat on a green, giant, juicy leaf. I tried to grow and grow but it didn't work but I did get some luck because I was littler than I expected I would be. But guess what I did it! I started looking for food and on Monday I ate through an apple. On Tuesday I ate through two pears but I was still hungry! On Thursday I ate through four strawberries but I was still hungry. On Friday I eat through fire oranges but I was still hungry! On Saturday I ate through a piece of chocolate cake, ice cream, pickle, swiss cheese, salami,

a lollipop, cherry pie, sausage, one cup cake, one piece of watermelon. Soon it was Sunday again and I had a tummy ache. I ate a leaf, it was a green, juicy leaf and I ate it all up and it was yummy and I felt much better. I was a big fat caterpillar and I made a cocoon. I loved sleeping in my cocoon. I got hungry so I went out in 2 weeks and I was a colourful butterfly!!!

Contagious illnesses

Please be aware that we have a pupil in school with Leukaemia and it is very important if your child has, for example; chickenpox or scarlet fever that you keep them off until they are fully recovered. i.e. chickenpox spots completely scabbed over to prevent her becoming very poorly. We appreciate your help with this.

Drinks

With the weather warming up please send your child into school with plenty to drink.

School Gates

At the end of the day the gates are not opened until 2.55pm and this will be particularly important next term as there will be lots of outdoor lessons.
