**"Only My Best Will Do"**

This week's extract is; to write an account of Beegu's visit to earth when she was old- written by Erin Law, year 3. (All her own work).

### Beegu goes back to earth

I am an alien, my name is Beegu. I have learnt English and I know everything about earth. This time I landed on a city building. It was a beautiful view. I climbed down, first I skipped into the field, I didn't see that many rabbits but one at a time rabbits jumped out of the hole. But this time when I talked to them, belief it or not they understood me. I was relifed I walked away. I was walking and I reilised I found the "stray dogs' home". I knocked at the door, just then somone opened the door and it was amazing. The man said "what is it?" I started talking whith confidence, and he actuly could understand me. I told him I was revisiting earth. Then he closed the door, I think he was amazed. I found my way to the playground, but I didn't see the children I saw last time. It was getting dark I guessed I could climb back up the building, sleep there and leave in the morning. That's just what I did in the morning. I left at the first light.
