This week's extract is; the next chapter of 'Spywatch', a story from WW2 by Megan Smith - year 4.

Spywatch

The next day, after Norman and Dennis had gone home Polly and Mary woke up and entered into the kitchen and said, "Aunty Amy!" Mary shouted. Then suddenly Luigi Balzoni walked into the kitchen and said, "Polly, Mary where has Mrs Hobbs gone? "We don't know normally we would be eating our breakfast by now". Polly answered Luigi.

Then Mary and Polly said, "look theres Aunty Amy!" They said happily. "I was just milking the cows. We had nothing to drink." Aunty Amy replied. Just then Mike had come to see Polly, Mary and Aunty Amy. "Hello guys, since Norman and Dennis have been gone it's been quite." Mike happily said.

"Oh hello Mike," Vivienne Belling cheerfully said. "Oh hello Vivienne I didn't notice you there!" Mike answered. Now Mr Phillip Grainger and Miss Millington have gone to prison everything will be ok!" Mike said gladly. "Shall we go to the green house and see if the gun is still there?" Polly whispered into Marys ear. "Yes ok lets go", Mary answered Polly. So Mary and Polly set off and opened the green house and Miss Millington was in there! She had found the German Pilots gun and held in front of her facing Polly and Mary! "M...M...Millington what are you doing here?" Mary friendly said.
