Considerate Parking

Residents in Farlow Close have had great difficulty getting off their drives as some of our parents are parking inconsiderately.

When dropping off and collecting your children please think about the residents who also have to do school runs and go to work etc. Thank you.

Operation Encompass

Our school is taking part in a national project run locally between Worcestershire County Council and West Mercia Police. It allows information to be shared where a child may have experienced a domestic incident. The information is shared with school the next day ensuring that we are able to support the child appropriately.
